No Man Is a Hero to His Landlord

Even though he pays dividends on his landlord's capital

The unhappy experience of laboring for one's landlord without an interest in where one lives, makes even a rented paradise unsatisfying.

To plan and arrange a home, so that it expresses your individuality, your personality, and the possession of its seclusion, scenery and companionship, is a pleasure unknown to the renter.

To the homeward bound man, fatigued from the day's work in the heat of town, the cool dry climate and seclusion of Kaimuki are all that could be wished for and yet this seclusion is so accessible.

Macadamized streets, the purest artesian water, electric lights, telephones, etc., and the most congenial neighbors in a select district, where the residential climax has not been reached make it an ideal investment.

\$50 down and \$10 a month will still secure a choice location and on a nominal payment down we can build you a modern bungalow with your ideas incorporated and your rent pays for it. Lots are but \$400 each. Let us talk it over and show you the tract.

TUMOR OF FOUR YEARS GROWTH

Removed by Lydia E. Pinkham's Vegetable Compound

South Bend, Ind. — "Lydia E. Pinkham's Vegetable Compound removed a cyst tumor of four years' growth, which three of the best physicians declared I had. They said that only an operation could help me. I am very glad that I followed a friend's advice and took Lydia E. Pinkham's Vegetable Compound, for it has made me a strong and well woman, and I shall recommend it as long as I live." — Mrs. MAY FAY, Lindsey, Ind.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy — tumor. If you have mysterious pains, inflammation, ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation, but try Lydia E. Pinkham's Vegetable Compound at once.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and such unquestionable testimony as the above proves the value of this famous remedy, and should give confidence and hope to every sick woman.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

BAND ON SUNDAY

EDITOR STAR: I think it would be the proper thing if those in charge of the band would issue instructions to have it play in the Executive grounds regularly every Sunday afternoon. Last Sunday we had the spectacle of the band with the Mayor, as the papers said, assisting in opening a private place for sports where an admittance fee is charged. Must the music-loving public go to a baseball game to hear the band? Are tourists to be deprived of Captain Berger's music while in Honolulu on Sundays? People who attend the baseball games go to see a game of ball, not for the music. I think the other portion of our public and our tourists should be accommodated. Let the band play regularly at the executive grounds. It is a cool, grassy park, and convenient to all; no charge and no car fare to get there to many, and the band should play there regularly every Sunday afternoon. It is only the sports who care to go to a base ball game on Sunday afternoon, and those who want to hear the band should have the privilege of doing so in a public park. Let our mayor issue orders to that effect. Let it be understood by the community that the band always plays at the executive grounds on Sundays.

THE MODERN WITCH.

Said the quaint old witch
With a flare of pride;
"No more through the air
On a broomstick I'll ride
By tolling fortunes
I've made such a gain
I've tossed off my stick
For a new aeroplane."
